Problem Statement:

Mr. Ram is a busy worker in XYZ company who needs to refer to the news without any restrictions and interruptions while traveling because he was not comfortable carrying newspapers daily to his office and reading the news when he was in free time. Mr. Ram needs to read the news in such a way that he doesn't have to worry about ever buying physical newspapers or carrying them with her everywhere he wants. He needs something which should fit in the palm of her hand, that he could carry everywhere, access from everywhere, something digital, easy to use, and easy to handle such as an Application based on the internet which could be accessed from any device that is connected to the Internet. Such as smartphones and computers.

I am	Mr. Ram is a busy worker at XYZ company.
I'm trying to	Needs to refer to the news without any restrictions and interruptions while traveling
But,	I couldn't get time to read at a place and read or view the news with the help of a newspaper as it was not comfortable for me to carry anywhere.
Because	I am not comfortable carrying a newspaper daily to her office and reading the news when he was in his free time.
Which makes me feel	He considers carrying around a physical newspaper a nuisance to him and the people around him.

I am	I'm trying to	But	Because	Which Makes Me Feel
Busy Worker.	Read or refer to the news without any interruption.	I Couldn't have time to have a seat and read the newspaper.	It is unconformable for me to hold a newspaper and travel.	Annoying, Uncomforted, Nuisance around him.

Problem Statement (PS)	I am	I'm trying to	But	Because	Which makes me feel
PS-1	Busy Worker	Read News Where ever I want	I Couldn 't have enough time to read news	I Feel Uncomforta ble With those Papers.	More Annoying, Irritating
PS-2	Busy Worker	To Get Information At Anytime, anyplace.	I wasn't able to carry the paper stuff where ever IT goes.	It is not convenient for me to carry those things & the paper might get damaged while carrying it anywhere else.	Carrying around a physical newspaper a nuisance to him and the people around him.
